

Team Name: sddec21-16

Team Members:

- Dylan Black
- Andy Dugan
- Zhi Wang
- Jack Phillips
- Jacob Abkes

Report Period: Feb 1-Feb 14

Summary of Progress in this Period

Team members have met and scheduled a weekly meeting. Two team meetings were held. The team discussed project management organizations. The team also discussed technologies to use and agreed upon Angular and Springboot. Team met with the client and discussed expectations for the first deliverable. Team requested a VM from ISU to host the web application.

Pending Issues

Awaiting VM from ISU

Plans for Upcoming Reporting Period

The team desires to have the dev environments set-up for the next period. The team also desires to have a simple POC host running on the VM. By the end of the next period the team will have set-up a schedule for the implementation of deliverable one, and started to execute that schedule.
